5. The arbitrator selected shall hear the grievance(s) within 10 working days of his selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
6. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.

H. Indemnification Clause

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

It is the duty of Management to make every reasonable effort to provide and maintain a safe place of employment. Management agrees to assign a Safety manual to each member of the bargaining unit. Said manual to remain in the Inspector's possession for the term of his/her employment as an Inspector. Local 830, AFSCME, will cooperate by encouraging all employees to perform their work in a safe manner. It is the duty of all employees in the course of performing their regularly assigned duties to be alert to unsafe practices, equipment, and conditions and to report any such unsafe practices, or conditions to their immediate supervisors. If such condition cannot be satisfactorily remedied by the immediate supervisor, the employee has the right to submit the matter in writing either personally or through his steward to the departmental safety officer.

On any matter of safety that is not resolved by the safety officer within a reasonable period of time, the steward may confer with the safety officer who will respond in writing.

If the steward is not satisfied with the response of the safety officer, a Local 830/AFSCME agent may consult with the Chief of the Workers' Compensation and Occupational Health Branch of the Chief Administrative Office or his designate. A representative of such branch shall investigate the matter and advise the department head and Local 830, AFSCME of his findings, and recommendations, if any.

A copy of the minutes for any Safety committee meeting will be made available to an authorized, designated Local 830 Steward upon request, excluding matters of a personal or confidential nature regarding an individual. Local 830 agrees that all other matters contained in said minutes shall be treated in a confidential manner by the Steward designated to receive them.

ARTICLE 22 CHANGE OF ASSIGNMENT

Permanent full-time employees in the unit who received at least a competent rating on their last performance evaluation may submit a written request for a new assignment to their department's personnel office.

Requests filed hereunder shall be valid for the period of this Memorandum of Understanding or for one (1) year from the date of filing, whichever comes earlier, and must be renewed prior to the anniversary date of the original request if the employee still desires to be considered for a new assignment beyond that date.

Management may, at its discretion, deny an employee's request for reassignment, where said employee has been reassigned in accordance with the procedure contained hereunder within a twelve (12) month period.

When Management decides to fill a vacancy by assigning a current employee to such vacancy, Management shall review the requests for new assignments currently on file. Management will then select one of the three (3) most senior employees who has the qualifications, skill and ability to competently perform the requirements of the vacancy without additional training. The vacated position of the newly assigned employee shall be filled according to this procedure. Thereafter, vacancies shall be filled at the discretion of Management.

It is understood that this Article does not modify Management's right to promote an employee whenever a vacancy occurs.

For the purposes of this Article, seniority shall be defined as the total amount of continuous service within the Department.

During emergencies or when vacancies occur as a result of opening new facilities, the provisions of this Article shall not apply.

ARTICLE 23 OUT-OF-CLASS ASSIGNMENTS

Section 1. Definitions

- A. For the purpose of this article, an out-of-class assignment is the full time performance of all the significant duties of an allocated, vacant, funded position in one class by an individual in another class.
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee class and the out-of-class assignment is less than the above bonus the employee shall receive the rate for the higher class. This bonus is paid for each 30 calendar days the employee performs an out-of-class assignment, subject to the conditions described below. This bonus shall not be prorated.

Section 2. Conditions

If an employee is assigned to an out-of-class assignment for more than 20 consecutive working days, management shall upon the employee's or union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within 30 calendar days from the date of request for relief, no bonus under this article is to be paid;

return the employee to an assignment in his/her own class. If such return is made within 30 calendar days of the request for relief, no bonus under this article is to be paid; or

pay the employee the bonus for each 30 calendar days, from the date of request for relief, he/she performs the out-of-class assignment.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However such assignment shall not extend beyond the period of such emergency.

- B. Nothing in this article shall be construed as limiting management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training. Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.

ARTICLE 24 ALTERNATIVES TO LAYOFFS

Section 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in

attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CAO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any members of a bargaining unit.

Section 3. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 25 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event that County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a Request For Proposal or other contract solicitation documents are approved and issued, the Employee Relations Division of the Chief Administrative Office will arrange to meet with representatives of the Union to advise them of this action within five (5) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement. Management acknowledges an obligation to negotiate the impact on wages, hours and working conditions of the employees in this bargaining unit insofar as such subjects have not already been negotiated.

ARTICLE 26 LEAVE OF ABSENCESection 1. Medical Leave

Pursuant to applicable provisions of the Civil Service Rules, County Code, and other law, medical leaves of absence will be granted by the employee's department head upon request only upon submission of a doctor's certificate or other satisfactory medical evidence of the employee's need for such leave.

Section 2. Educational Leave

Subject to the staffing needs of the department, educational leaves will be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university.

Section 3. Pregnancy Leave

The parties agree that departmental management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the department head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which

disability prevents her from performing the duties of her position as certified by her physician, may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4. Jury Duty and Witness Leave

During the time an employee is actually reporting to the Court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the department head or his designate will convert the employee's usual shift to a regular five-day, Monday through Friday, day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his regular pay provided he deposits his fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels his presence as a witness, unless he is a party or an expert witness, he shall be allowed the time necessary to be absent from work at his regular pay to comply with such subpoena, provided he deposits any witness fees, except mileage, with the County Treasurer.

Section 5. Family Leave

- A. The parties agreed that employees covered by this Memorandum of Understanding are subject to the provisions of the State Family Rights Act of 1991 and the Federal Family and Medical Leave Act of 1993.

Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State law.

- B. The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.
- C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability.

Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the county Family Leave Policy.

ARTICLE 27 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither Local 830, AFSCME nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 28 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

- A. It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. This Article is not intended to negate or eliminate past practice as a factor establishing agreement in practice between the parties.
- B. It is the intent of the parties that this Memorandum of Understanding be administered in its entirety in good faith during its full term. It is recognized that during such term it may be necessary for Management to make changes in rules or procedures affecting the employees in the unit. Where Management finds it necessary to make such change, it shall notify Local 830, AFSCME indicating the proposed change prior to its implementation. Nothing herein shall limit the authority of Management to make necessary changes during emergencies or when required to do so by law. Management shall notify Local 830, AFSCME of changes resulting from emergent or legal requirements as soon as practicable. Local 830, AFSCME shall notify Management within five working days from the receipt of such notice if it desires to consult with Management. Nothing contained herein shall prevent the Union from grieving the effect of such change in accordance with the Grievance Procedure contained herein. Failure by Local 830, AFSCME to request consultation, pursuant to this paragraph, shall not be deemed as approval of any action taken by the County.

- C. Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of negotiations, during the term of the Memorandum of Understanding.
- D. Any agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors.
- E. The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 29 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 30 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws, ordinances and regulations, the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable provisions of Federal, State or local law or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of this Memorandum of Understanding shall not be affected thereby.

It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty, as for example by work furlough, because of lack of work or for other legitimate reasons, and determine the methods, means and personnel by which the County's operations are to be conducted; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

ARTICLE 32 PRODUCTIVITY/WELLNESS

Should Management wish to develop wellness programs in accordance with the Fringe Benefits MOU, participation by employees shall be strictly voluntary, with no financial or other penalty resulting to employees who do not participate. Management shall also include provisions in any such program for handicapped employees.

Management recognizes the advantage of continued education for employees in this Unit and will give reasonable consideration to employee requests for participation in available work-related educational programs, seminars, professional conferences and professional meetings on County time.

Considering the operational needs of the Department and the development needs of the employees, Management will distribute, as equitably as possible among all employees in the same job assignment, paid County time to attend conferences, workshop, seminars, or symposiums, when and if Management provides paid County time to any such employees in such assignment.

The Department Head, or whomever he delegates, will determine the need, kind, amount and timeliness of training to be provided to Unit members, and which of these persons will attend approved training programs.
